Re: "Ride to find em";  
Celoron, NY; June 7th 2014

Dear Supporter,

On the behalf of our board members and volunteers across the nation, we request your support of a monetary donation (sponsorship), supplies (banner, various printed items), gift card (food, product or fuel) to be used for our upcoming events such as "Ride to find em" to be held at the annual Rib Fest in Celoron, NY at the park on June 7th, 2014. This event is hosted by the CUE Center for Missing Persons as a part of our national awareness campaign that focuses on cases of the unidentified, unsolved homicide and missing persons that have gone cold or have not received appropriate media coverage on the local level – much less the national level. The tour, which travels through many states annually, provides that attention at numerous pre planned rally stops in which hundreds of people take part in.

In all unsolved cases, it is vital to inform the public of each circumstance quickly, disseminating facts to the media and public. It has been proven in cases where details are released immediately through an organized effort; obtained information has led to bring forth a sound investigation and or the location of the victim. Unfortunately, most of the cases our tour features never benefited from that effort. The national tour plays a significant role in getting the word out on the behalf of the cold cases, reminding communities abroad of facts and is nationally recognized as a vital resource to these ongoing investigations.

You can learn more about CUE and the road tour by visiting us on the web at [www.ncmissingpersons.org](http://www.ncmissingpersons.org) and click on the "road tour" link which offers current and detailed information.

Thank you in advance for your consideration on being a part of this year event; feel free to contact us concerning any details or additional information you may need (910) 343-1131.

As we remain in search of the missing

A handwritten signature in black ink, appearing to read 'Monica Caison'.
